

First time home-buying made easy

1.

Do your homework

Focus on location, price range, and your home buying wish-list.

Factors that will contribute to future property value are:

- Neighbourhood
- Zoning and development plans
- Schools
- Amenities
- Transportation

2.

Think about your down payment, you could:

- Save up and make a larger down payment

Do you know about the Government Home Buyers plan that allows you to use RRSP funds towards a home? Click [here](#) for more details

3.

You get pre- approved for a mortgage:

- You now know what you can afford
- Your interest rate is guaranteed for 90 days
- You have options, we have a variety of terms and rates, including our cash back options.

4.

Talk to an expert

Do-it-yourself doesn't always pay. A real estate expert can help you make wise decisions, avoid pitfalls, and ultimately, save money and stress.
